General Information

State Law

The state of Michigan requires 2 - tornado, 2 - lock down, and 6 - fire drills. We recently completed our 2nd lock down drill. Both tornado drills have been completed. We have ran 4 of the 6 fire drills. The final two will take place after spring break.

Law/Safety officers have been on campus for some of our drills, as required by law. Ask your child how we handle school emergencies. I'll bet they have a safe plan in mind for fire, storm and lockdown.
