General Information

Registration Packets

Please complete your family registration packet and return to school. If you did not pick one up at the Open House, it will be sent home this week.

State Law

The state of Michigan requires 2 - tornado, 2 - lock down, and 6 - fire drills. We recently completed our 2nd lock down drill. Both tornado drills have been completed. We have ran 4 of the 6 fire drills. The final two will take place after spring break.

Law/Safety officers have been on campus for some of our drills, as required by law. Ask your child how we handle school emergencies. I'll bet they have a safe plan in mind for fire, storm and lockdown.

H&S and Ed. Comm. Openings

Home and School has two positions open in the spring. Vice President and Treasurer are open seats.

Ed. Comm. Has one position open in the spring.

If you would like more information about these positions or you are interested in running for one of these openings, please contact Mrs. Gee.
