General Information

Dress Code

Our Education Commission has determined that our Dress Code will remain the same next school year. Please pay attention to two particular areas when you shop:

1) Avoid buying any more light blue shirts. There is such a color variance with "light blue" that it is difficult to monitor. In light of our economic times, we want students to wear what they already own. However, in the future light blue shirts may be phased out.

2) Students should be wearing solid colored shoes and socks. Shoes must be either plain dark (navy, brown, black) or plain white. Dress shoes or tennis shoes may be worn as long as they are as plain as possible. No multi-colored dress or tennis shoes. All socks should be solid colors (navy, black, khaki/brown or white), no colored stripes, patterns or trims.
