General Information

Staff News

We are very grateful to say that most of our current staff will be returning next year. Our regular classroom teachers will all be back. Mrs. Vickie Bolton will cook for us again. Mr. Glenn has yet to retire! Mrs. Wallace will be working with small groups in Math and language arts. Mrs. Rewa will be helping in the library. Mrs. DeFouw will be bringing out each child's creative streak in Art. I believe Mr. Hall will return for PE. Mrs. Thomas and Mrs. Gee will be back in their offices. At this time, we are aware of two staff members that will not be with us. Mrs. Linda Rice has been assigned to another building in Wayland and will not return for music. WUS will fill this position. Senora Susie Bailey will be trying to spend some time with her young children as well as work for Legacy School. Sadly, we are currently seeking another Spanish teacher. The good Lord provided well when He brought us Senora Bailey. Keep praying that He looks on us so kindly again. We wish both teachers continued success and are thankful for the time they spent with us.

A Moment of Your Time, Please

Can you spare 20 minutes one or two mornings next school year? We are rearranging our morning staff duties a bit next year. Mrs. Thomas will be coming in at 8:45 next year. The teachers and I will be available for office help and/or cafeteria supervision from 8:30 until the first bell. Any morning that you can help with the cafeteria supervision will allow a teacher to be in their classroom. Even if you have one morning at the spur of the moment, come on down! All you have to have is some patience and training thru Protecting God's Children. You do not have to commit to a schedule or even to the entire year. Just come on down in the morning if you can and help monitor the children until the first bell. Your help will be greatly appreciated. Mrs. Gee
